Results of the open call in PA20 of “Home Affairs” Programme of Norway Grants 2014-2021

“Home Affairs” Programme Operator has made the final decision on granting the financing under the Programme to the projects chosen during open call procedure in programme area 20 “International police cooperation and combating crime” of Norway Grants 2014-2021.

Programme Operator received 34 applications by the deadline of the open call in programme area 20 of “Home Affairs” Programme in Norway Grants 2014-2020.

After formal and substantial assessment made by independent experts, meeting of the Selection Committee composed of representatives of Norwegian and Polish institutions and reviewing recommended projects by Inter-ministerial Team for the Home Affairs European Funds, the Programme Operator has verified whether the project selection process was conducted in line with the *NFM 2014-2021 Regulation* and in line with the Programme’s rules and objectives.

On the 5th of August 2020, the Programme Operator made the final decision on granting the financing under the Programme to the projects chosen during open call procedure in programme area 20 “International police cooperation and combating crime” of Norway Grants 2014-2021.

Total financing from the Programme for 8 chosen projects amounts to EUR 4 701 069, which is total amount of an allocation for the call.

The official information on the results of the open call under PA20 will be passed to the applicants.
