„Home Affairs” Programme Operators’ meeting within Norway Grants

From 20 till 22 of November 2019 Department of European Funds of the Ministry of the Interior and Administration (DEF MI&A) was holding a meeting with Programme Operators for the areas: home affairs, asylum & migration and justice within Norway Grants 2014-2021.

At the meeting there were present representatives of programme operators from Poland, Czech, Lithuania, Bulgaria, Greece and Croatia. The representatives of Norwegian Embassy in Poland, Polish National Focal Point and Financial Mechanism Office from Brussels participated in the meeting as well.

The goal of the meeting was to present each programme, discussion regarding predefined projects and priorities concerning interinstitutional cooperation. The participants of the meeting expressed their interest connected with the various ways of use of Bilateral Fund at the programme level.

The meeting had received an extraordinary positive feedback from the other programme operators and it was referred as a platform for networking, exchange of experience learnt and best practices. At the end of the meeting, the participants underlined the added value of this meeting and cooperation that has begun and they expressed their willingness to continue meetings in such a form.
