## Norway Grants - Equal opportunities policy

We would like to kindly inform you that on the website of the National Focal Point for the Norway Grants (the Ministry of Development Funds and Regional Policy) - [www.eog.gov.pl](http://www.eog.gov.pl) - a new tab has been created, devoted to the equal opportunities policy.

<https://www.eog.gov.pl/en/site/learn-more-about-the-grants/equal-opportunities-policy/>

It contains a catalogue of the most important national and international legal acts concerning this issue, among others: Regulations on Financial Mechanisms, the Labour Code, EU Charter of Fundamental Rights and the Polish Constitution.

We encourage to get acquainted with its content.

Project promoters of the "Home Affairs" Programme are requested to comply with these principles and to follow them.
